

# **LEARNING LAND NURSERY SCHOOL**

## **EARLY DISMISSAL/EMERGENCY POLICY**

If severe weather conditions develop during the school day, or an emergency situation arises, it may be necessary to dismiss students early and cancel Lunch Bunch.

Learning Land follows the Brunswick School Department's decision regarding early dismissal due to weather. Parents and caregivers are encouraged to check the Brunswick School Department website, local television, or listen to the radio for announcements concerning changes in the Brunswick School Department schedule.

If there is an emergency situation specific to Learning Land, the staff will make every effort to contact parents/caregivers as soon as possible. Please fill in the Early Dismissal/Emergency Contact Information form below and return it to Learning Land. The main method of contact for such situations will be by email and text message. If you prefer to be contacted by a phone call, please check the box and provide the phone number.
